Rotary Club of Babylon

Dear Racers,

On behalf of the Babylon Rotary Club, our volunteers, and our sponsors, we thank you for your interest in our Annual Dirty Sock Run. We hope the information here will help you, and your families, enjoy our event.

The Babylon Village Classic 10K Dirty Sock Run, which is part of the USATF Long Island Track and Field Cross Country Series, is more than just a race. Besides giving runners a chance to compete and have fun, the Run raises desperately needed funds for our eleven local food pantries and soup kitchens through the generosity of runners like you. Over the past 13 years, the Babylon Rotary Club has supplied over $250,000 in food and pantry donations to the Babylon food pantries and soup kitchens. The Dirty Sock Run is a essential part of the Rotary's efforts to eradicate hunger in our community.

Since its inception, the Dirty Sock Run participation has grown each year. In 2018, we registered over 800 runners and hosted 100 plus volunteers. With the help of our sponsors and supporters we managed to entertain nearly 500 spectators at the finish line with music, refreshments, raffles, and prizes. We extend our warmest thanks to our dedicated volunteers and participating sponsors who have been critical in making this event come together for the last 13 years. We thank our valued sponsors and volunteers for their ongoing efforts to make this race a community staple.

For the most up-to-the-minute information about the race please refer to the EliteFeats website at https://elitefeats.com/upcoming-detail.asp?ID=19745.

We look forward to seeing you on Race Day!
