

CHRISSY'S WISH MEMORIAL FUND 5K RUN/WALK

Our Mission Statement

The mission of Chrissy's Wish is to directly fund research on the myriad of brain disorders that include, but are not limited to, depression, bipolar disorder, anorexia nervosa and suicide.

Chrissy's greatest wish was to find peace of mind. Let's bring this wish to life. By supporting the fund you can help bring an end to the devastating mental disorders that strike so many of our friends and family members.
